**Fur-e-tails** is now a news bulletin published by Michigan Pet Fund which is dedicated to making Michigan a no-kill state. The Oakland Pet Fund has changed its name to the Michigan Pet Fund and we have broadened our geography of interest to the entire state of Michigan. Our mission is the same, which is to create a *No More Homeless Pets* (no-kill) state.

As a news bulletin, fur-e-tails will provide timely news and announcements as we are made aware of them.

**fur-e-tails** connects pet owners and members of the pet lover community across Michigan. This bulletin was prepared for informational purposes only and should not be construed as legal or medical advice. fur-e-tails is

published electronically by the Michigan Pet Fund, bringing the *No More Homeless Pets* movement to Michigan.
